

# Sprite Sterling Swift Caravan Owners Club

## Coronavirus Policy Statement

---

During the current Coronavirus situation the Sprite Sterling Swift Caravan Owners Club wishes to keep all Members as safe as possible.

As a Club promoting social caravanning, our regular Rallies generally consist of a temporary campsite and a range of social activities, including get-togethers in party tents, marquees or halls, coffee mornings, raffles etc..

### **Sprite Sterling Swift Caravan Owners Club's response to The Health Protection (Coronavirus Restrictions)(No.2)(England) Regulations 2020 and The Health Protection (Coronavirus Restrictions) (No. 2) (Wales) Regulations 2020.**

For the time being, because of coronavirus, our Rallies in England and Wales will be operated strictly as 'temporary campsites', and not 'social gatherings'. As such, get-togethers in party tents, marquees or halls, coffee mornings, raffles, communal food and drink etc. will not be conducted until such time as Government Guidance on Social Distancing and cross-contamination changes.

Prior to any Rallies being held, the Club has had a professional risk assessment undertaken and arising from this has established a number of Covid-secure Measures for Rallies to be observed by all Members. Additional guidance has been issued to Rally Marshals.

Key elements in the Club's Covid-secure Measures address Social Distancing, sanitisation and hand washing, avoiding cross contamination and collecting information to support Track and Trace.

The Club's Covid-secure Measures have been circulated to all Club Members.

Rally Marshals have been given the following which can be made available to any inspecting Authorities on the Rally field:

- This Coronavirus Policy Statement
- The Club's Coronavirus Risk Assessment
- The Club's Covid-secure Measures for Rallies to be observed by all Members
- Additional Covid-secure guidance for Rally Marshals
- The Club's Exemption Certificates from the Government, permitting us to hold rallies on private land with the landowner's permission
- The Club's Public Liability Insurance Certificate

The Club will amend this policy in line with further Government Statutory Instruments when published.

Hon. National President      Hon. National Secretary
